

## **Sambhaavnaa Summer programme 2012**

### **I. The Objectives:**

The Sambhaavnaa Summer Camp aims to foster a deeper understanding and enrich the worldview of the programme participants about the contemporary development issues and their socio economic and political ramifications in our country by:

- Providing opportunity for direct interaction with organisations and individuals working towards social justice and change
- Equipping participants with an alternative framework of 'equity and justice', for analysing development issues and their socio-economic and political implications
- Providing a space for exchange and assimilation of knowledge, ideas and experiences on issues and approaches of change

### **II. Format/design of the course:**

Lecture/Discussions/  
interactions

Films

Group readings, reviews and exercise

Field work and interaction

### **III. Expectation from participants:**

Read the required material

Active participation in presentations and discussions

A write-up on your experience and observations at the end of the programme

Team work and learning attitude

### **IV. The Participants**

1. Priyanka Kumari, Graduate
2. Ravi Kumar, Engineering Final Year
3. Prashant Dhal, Azim Premji University, Development Studies
4. Rupesh Kumar, IAC Volunteer
5. Vikash Jain, Swaraj University
